

Business Association of San Carlos Airport

Membership Application

The mission of BASCA is the following: To provide a strong voice for aviation and non-aviation businesses located at San Carlos Airport. BASCA is committed to promoting general aviation, safeguarding the interests of airport businesses, building business and community partnerships, supporting the current and future aviation workforce and working with all stakeholders at San Carlos Airport to nurture and sustain a thriving airport.

Any individual or incorporated entity that actively conducts business and owns, leases or operates assets at SQL as a locally registered private business or entity is eligible for membership in BASCA. At the moment, it doesn't cost anything for you and your business to join. Any number of individuals from your business can become members of BASCA but in matters requiring voting or approval of BASCA membership ***only one vote is allowed per business***. Note: All applications for BASCA membership are subject to final approval by the BASCA Board of Directors. For further information, you can download the organization's Bylaws at www.basca.org

Please fill out the information and follow the instructions for submitting, below.
